Poultry Programs

Market News Branch

In Boston, prices were lower on the heavier eggs and unchanged on the lighter weights. In Chicago, prices were higher on extra large and large and unchanged on the balance. In most other areas, prices were unchanged. The market tone ranged steady to firm. Demand was light to good, mostly moderate and was best where retail features were either in progress or planned. Supplies were irregular, but were mostly adequate for trade needs. Breaking stock supplies were tight to adequate and demand was in a full range of fair to good. Light type hens were about adequate to adequate for the fair demand.

NORTH ATLANTIC Prices in Boston were 2 cents lower on extra large and large, balance were unchanged. The market tone was cautious and unsettled on larger brown eggs and usually steady on white eggs. Supplies were increasing and reported as adequate to fully adequate. Retail demand was light to moderate. Breaking stock offerings were adequate for a moderate demand. Light type hens were usually sufficient for the slow and unagressive demand as some plants were not running full schedules.

NEW YORK Prices were unchanged. Retail demand was only fair and often disappointing. Supplies were at least adequate for current needs. The undertone was steady.

MIDWEST Prices to producers in Iowa-Minnesota-Wisconsin were up 1 cent for large and were unchanged for medium and small. Prices in other areas were unchanged. Trade sentiment steady to fully steady. Retail and food service demand was fair to good. Supplies were in good balance to adequate for current needs. Central States nest run breaking stock prices were higher. Offerings were tight to adequate for the fairly good to good demand. Floor stocks balanced to barely adequate. Trade sentiment steady to fully steady.

CHICAGO Prices for extra large and large advanced 1 cent, mediums unchanged. The trade sentiment was steady. Retail and food service demand light to good, mostly moderate and best where features are planned or in progress. Supplies adequate on larger sizes, lighter weight sizes balanced to short.

SOUTHERN Prices ended the week unchanged. Asking prices for next week's deliveries were trending unchanged from current week. The market tone was steady. Demand was light to moderate, best where features were in progress or planned for next week. Supplies were adequate for trade requirements. Breaking stock offerings were adequate and demand was moderate. Light type fowl were about adequate to adequate for the fair demand.

WEST COAST Prices unchanged. The market tone was firm on the large sizes with asking prices for next week 3 cents higher on jumbo, extra large, and large throughout the region. Mediums were steady at unchanged asking prices. Retailer demand fairly good. Offerings held with confidence both inside and outside the region.
